WHY? #writer

When I sat down and started typing what became my first book, I didn't really know why I was doing it. It was a calling of sorts, like something was flowing through me. I didn't plan on being a writer, it just happened.

I remember thinking during the twenty-one days of that experience, that if whatever was coming through me inspired just one person, I'd consider the whole thing to be a success.

Here we are more than four million copies later and I find when I sit down to write, it's still about one person. I think it always will be. Doing my best to help inspire one reader, through one word, one sentence, at a time.

BIOGRAPHY

#ponderer

John Strelecky is a #1 Bestselling inspirational author. His books have been translated into over forty-one languages and sold more than four million copies worldwide.

They have won bestseller of the year awards five times and collectively spent more than seven hundred weeks on bestseller lists, including more than two hundred weeks in the #1 spot.

John's entry into the world of writing began following a life changing experience when he was thirty-three years old. From that, he was inspired to sit down and tell the story shared in his first book—The Why Café.

Within a year after its release, word of mouth support from readers had spread the book across the globe—inspiring people on every continent, including Antarctica. It has been a #1 Bestseller in multiple countries.

John's other books include two sequels to The Why Café, the Big Five for Life series of books, and more.

When he isn't writing, John is often outdoors in his kayak, riding a surfboard, playing beach volleyball, or traveling the world with his family. Their longest adventure was a year-long backpacking trip to see animals in the wilds of Africa, Malaysia and Australia.

Born September
13, 1969 in Chicago,
USA.

BIG FIVE™ FOR LIFE #inventor

DO, SEE AND EXPERIENCE

Starting about twelve years ago, I began to receive more and more requests from readers asking for help. They had read one or more of my books and were inspired. They wanted guidance on the steps to move their life from where it was, to “somewhere else.”

Most of the time, they also wanted help figuring out what the “somewhere else” was for them.

I was deeply touched and humbled by the requests. It wasn't something I'd expected and I wasn't sure the best way to answer them. My own story had involved leaving everything behind and following my heart to backpack around the world for a year. While that worked for me, most people were looking for something a little less drastic as a way to find their path.

So I took two months off and in much the same spirit as I write my books, I began to write down questions. Seemingly simple questions which produced vast amounts of information when they were answered.

Later that year, I flew to the Netherlands and began asking these questions to a group of ten participants who had asked me to help them find their “somewhere else”.

I am honored to say that from that humble beginning, thousands of readers have since gone through what is now called the Big Five for Life Courses. I am also honored to say, that helping them find their path has been one of the highlights of my life. To watch someone go from confused, uncertain, and sometimes scared, to arrive at a point where they know with absolute certainty the path they want to walk, is an incredible experience.

Over time, to honor people's language and geographical needs, I began to train others to teach the courses.

*Your fellow traveler,
John*

Creator & inventor of
the Big Five for Life™
concept.

WORD-RAP WITH JOHN STRELECKY

I started to write down my idea because **something** inside was guiding me to.

I admire **great storytelling** in all its forms.

Last time I cried was **when** a really emotional idea for a movie came to me.

My mood at the moment is **enthusiastic**.

A human being who helped me a lot is/was **my** best friend.

If I could wish for an extra talet, that would be **the** ability to fly.

I'm not afraid of death because I've done my best to maximize my life.

I always carry with me **my** personal mantra.

Due to my traveling I am **extremely organized yet** comfortable in chaos.

My favorite place in the world is **South Africa**.

The greatest adventure in life is **mapping out a** dream and then making it happen.

THE WHY CAFÉ

In a small cafe at a location so remote it stands in the middle of the middle of nowhere, John—a man in a hurry—is at a crossroads. Intent only on refueling before moving along on his road trip, he finds sustenance of an entirely different kind. In addition to the specials of the day, the cafe menu lists three questions all diners are encouraged to consider.

Why are you here?
Do you fear death?
Are you fulfilled?

With this food for thought and the guidance of three people he meets at the cafe, John embarks on an incredible journey of self-discovery. It takes him from the executive suites of the advertising world, to the surf of Hawaii's coastline. Along the way he discovers a new way to look at life, himself, and just how much you can learn from a green sea turtle.

RETURN TO THE WHY CAFÉ

On a random night, along a forgotten road, John's life was forever changed when he wandered into a tiny little place known affectionately as – The Why Cafe. After spending an entire evening there, he walked out with a new perspective about the meaning of life overall, and about his life in particular.

To his great surprise, ten years later he suddenly finds himself at the cafe once again. There are more questions on the cafe menu:

Why are you here?
Are you playing in your playground?
Do you have MPO?

And there are new adventures to be had.

As before, his time at the cafe launches his life in an inspiring and new direction. Set in the beautiful islands of Hawaii, this follow-up to the #1 Bestseller, *The Why Cafe*, returns readers to the place where great food, thought provoking questions, and life-changing experiences, are all on the menu. THE BIG FIVE FOR LIFE

This book will inspire you. It will change your life in ways you can't know now, but you'll understand completely once you're done reading it.

It will also forever enhance the way you look at your role as a leader. That includes the way you lead at home, at work, in your community...and especially the way you lead you.

At every given moment we are all called to be leaders. If for no other purpose than to lead ourselves. After all, someone has to inspire you to get out of bed each day. And that someone, is you.

It is told from the perspective of Thomas Derale, a man viewed by the people around him as the greatest leader in the world. At fifty-five years of age he learns he is dying. Yet even in that — the act of dying — he inspires everyone around him to live.

The principles in this book, such as the Big Five for Life and Museum Day Morning, have positively impacted millions of people around the world. Each in their own unique way as they have applied them to their life, their situation.

When you receive your copy, open to the first page, begin to read, and let them inspire you.

On a suggestion from Thomas' widow, Joe takes a trip to visit an extraordinary company near Montreal, Canada. There he meets a man who inspires him to look at life, leadership, and letting go... from new perspectives.

Though those experiences, Joe reconnects with the spirit of hope he first learned from Thomas. And remembers once again, to make every day – a museum day.

LIFE SAFARI

Jack is a young man struggling to find happiness in his life. Although he doesn't know why, the one image that seems to capture his soul is that of Africa. With solitary focus, he saves for two years and then embarks on a journey to find the source of the calling he has felt.

Halfway around the world, a very old, very wise African woman named Ma Ma Gombe is on a journey of her own. She is seeking a fabled destination she was told of as a child—"a place where you can see the earth be born, and then watch the world go to sleep, a place so beautiful that words cannot describe it." It is a destination known to her only as "the birthplace of all."

As if their paths were destined to intertwine, these two unlikely travelers meet shortly after Jack's arrival in Africa and join together on a journey that changes both of their lives forever.

Walk with them as they cross the African continent on foot. Marvel with them at the animals they encounter, the people they meet, and the adventures they experience. Like Jack, find through the teachings of Ma Ma Gombe that piece of your soul yearning to be set free.

AHAS! MOMENTS OF INSPIRED THOUGHT

First referenced in the #1 Bestseller – Return to The Why Cafe – , this is a book which contains a variety of inspirational moments. There's learnings about life. Learnings about self. Ideas, thoughts, concepts, flashes of insight and inspiration...

All are connected by the common thread that they produced an "Aha!" experience when they were first discovered. Most of the Ahas! are less than a page. A few a bit longer. Each with its own special energy.

This is a wonderfully random book. On a random whim, at a random time, open the book to any random point and begin reading. You are likely to find that what you discover on those pages, is exactly what you need for that moment in your life.

It's a bit of a mystery really. How the book, your mind, the universe, a higher power...all conspire to make that happen.

Somehow though, it does.
